This revision of Where There Is No Doctor has been a cooperative effort. We thank the many users of the book around the world who have written us over the years with comments and suggestions—these have guided us in updating this information.

David Werner is the author of the original Spanish and English versions of the book. His vision, caring, and commitment are present on every page. Their expert advice and help have been of great value.

We warmly thank the dedicated members of Hesperian for their help in preparing the manuscript: Kyle Craven for computer graphic arts and layout, Stephen Babb and Cynthia Roat for computer graphics, and Lisa de Avila for editorial assistance. We are also grateful to many others who helped in this book’s preparation: Kathy Alberts, Mary Klein, Evan Winslow-Smith, Jane Bavelas, Kim Gannon, Heidi Park, Laura Gibney, Nancy Ogaz, Martin Bustos, Karen Woodbury, and Trude Bock. Our special thanks to Keith and Luella McFarland for being there when we needed them most.
